

The heart of SERVE Day is for the church to come together in unity to share the love of Christ in a tangible way. Churches throughout Northern Colorado, the nation, and the world will participate in service projects to bless their communities on July 13th. There are over 900 churches worldwide, 65 in our own region, and 11 (and counting) just in **Windsor**! We would love to see all of you there. It takes everyone to make a difference in our community!

The heart of SERVE Day is for the church to come together in unity to share the love of Christ in a tangible way. Churches throughout Northern Colorado, the nation, and the world will participate in service projects to bless their communities on July 13th. There are over 900 churches worldwide, 65 in our own region, and 5 (and counting) just in **Wellington**! We would love to see all of you there. It takes everyone to make a difference in our community!

The heart of SERVE Day is for the church to come together in unity to share the love of Christ in a tangible way. Churches throughout Northern Colorado, the nation, and the world will participate in service projects to bless their communities on July 13th. There are over 900 churches worldwide, 65 in our own region, and 29 (and counting) just in **Fort Collins**! We would love to see all of you there. It takes everyone to make a difference in our community!
