## why do we limit our donations?

We accept gently used clothing items and are in need of clothing and shoes of all sizes and styles for men, women, and children.

Thank you for your heart to give generously to our ministries. As you think of us for your donations remember our guests are image bearers of Christ. We feel strongly that any item that is received from SERVE 6.8 exemplifies this in our guests.

We request only the best of the best from our donors and limit donated items to clothing and food. The items we provide are meant to help a family or individual in the current crisis they are facing, while they work with our wrap around ministries to find true flourishing and sustainability

As you think about giving, we encourage donating items we cannot accept to ARC thrift stores. We believe in the stewardship of the items we receive. When we have excess we pass them through to ARC. They will either use them in one of their many stores or they have one of the largest recycling mechanisms and keep thousands of pounds of unusable items from entering landfills each year.

Thank you for giving to SERVE 6.8.
