

Pulpit- call to action

Christmas season is right around the corner. We have a valued partnership with SERVE 6.8 and their Adopt- A- Family ministry. This season they will need to mobilize hundreds of volunteers and collect 20,000 donated toys into their 6 Toy Rooms throughout Northern Colorado. Teams and individuals of all ages will come together to pack toy bags, make ornaments, and more to serve over 2,000 families.

Timberline Pulpit

The holidays are upon us and we're excited to serve those in need in our community by partnering with SERVE 6.8 and their Adopt-A-Family ministry. Every year Adopt-A-Family has served hundreds of struggling families here in Northern Colorado, and this year the need is as great as ever. There are a couple of ways to get involved;

1. You can grab an ornament from one of the giving trees set-up near the exits of the church, buy the gift and return it to the SERVE 6.8 Resource Center located at the intersection of Drake/Lemay or you can visit the Virtual

Giving Tree hosted on our website! Purchase your favorite gift and ship it directly to SERVE 6.8.

2. You can also volunteer to help pack gifts for families, so visit us on serve68.org to learn how your whole family can get involved.
